

WHAT IS CLAIMED IS:

1. A discussion board of a website having images associated with a portion of the text, the discussion board comprising:
 - (a) a discussion portion having text inserted by users of the discussion board;
 - (b) a text-insert section which inserts written text into the discussion portion for discussing one or more subjects; and
 - (c) a webpage which automatically inserts either a predetermined image or an uploaded image into the discussion portion upon command for enhancing the text upon request.
2. The discussion board as in claim 1 further comprising a link to the webpage.
3. The discussion board as in claim 1, wherein the webpage includes a plurality of pre-determined images for selection.
4. The discussion board as in claim 1, wherein the webpage includes verification of copyright ownership.
5. A method for using a discussion board, the method comprising the steps of:
 - (a) retrieving the discussion board from the Internet;
 - (b) inserting text into a discussion portion of the discussion board for discussing one or more subjects; and
 - (c) automatically inserting images into the discussion board upon command for providing enhancement to the text.
6. The method as in claim 5 further comprising activating a link to a webpage which uploads an image for insertion into the discussion board, or contains pre-determined images for insertion into the discussion board.

7. The method as in claim 5 further comprising selecting at least one image from a plurality of pre-determined images for insertion into the discussion board.

8. The method as in claim 5 further comprising verifying copyright ownership of downloaded images.

9. A discussion board of a website having images associated with a portion of the text, the discussion board comprising:

(a) a first set of text input on-line on a substantially real-time basis having image, if any, positioned adjacent the first text; and

(b) a second set of text input on-line on a substantially real-time basis having a corresponding image, if any, positioned adjacent the second text.
